*APR-Annual Percentage Rate. 1-New money to the credit union must be \$25,000 to qualify for no closing costs and promotional rate. Should the no closing cost mortgage be closed or discharged within the first three years, the credit union may collect the third-party closing costs from the member that were waived when the loan was opened. Payment Examples: A 180 month home equity term loan with a 5.49% fixed APR would have monthly payments of \$8.17 per \$1,000 borrowed. Loan is subject to underwriting approval. Application will be required; not all applicants will be approved. Terms, conditions, and restrictions apply.

Important information relating specifically to your loan will be contained in the loan documents, which alone will establish your rights and obligations under the loan note.

Credit Union membership is required for loan approval.

PGMFCU: Federally insured by NCUA.
